"I would like any donations I have made to Bristol Old Vic in the last 4 years, and all donations I make from this date, to be treated as Gift Aid donations." This means that the amount of UK income/capital gains tax you pay each year is at least as much as we can reclaim on your donations from that year. We can reclaim 28% of a donation, so if you've donated £10, you must have paid at least £2.80 tax to be eligible. Please tell us if your tax-paying status changes.
